Circulation to above: Dave & Joan Hayes, Claire, Emily, Heather Lloyd, Gareth Utting, Rita & Duncan Jowett, Liz & Stuart, Gareth Eggar, Shaun Burkey, Maggie Rowlands & Hilary & Elizabeth, Paul Roberts and Maryse

Minutes of previous meeting Were accepted as a true record.

Matters arising

Camilla's Mapping & Survey Data Camilla has progressed her record keeping system and repeated her request for routine records to be passed to her each month.

Dingle water quality No further information

Green Gym There was a lengthy discussion on what appears to be a massive infestation of ragwort this year. It was agreed that we put in an extra effort to clear the East Scrubland and Alex proposed an extra visit to site. This was agreed as Jun 27th with a 10.30 start. Ann undertook to acquire some extra ragwort forks.

Concern was expressed that it is becoming too big a problem to deal with it by pulling and we may have to request more support from Shropshire.

Other business

Lantern Parade Heather agreed to handle the refreshments again.

Ann has sent a letter to St Martins Parish Council requesting support.

Mammal Group Visit

The Community Centre room is booked. The projector is required.

This public event is scheduled for Saturday 22nd with a return to The Centre afterwards.

Brownies Plans

Heather announced that they are holding a car boot sale on the field at the side of the community centre on Saturday July 6th. The money raised will help towards the 100th birthday camp in 2014. Ifton agreed to come along and do something. Camilla suggested making paper fish as a support a/ advertisement for the Lantern Parade later in the year. The event is a 10.30am start; there will be a couple of fair things on site.

Additionally Alex agreed to help with something based around bird boxes for the new communal garden behind the Methodist Church
